PETER THOMAS ROTH CLOUD WATER DRENCH

The designer Jill Stewart, Kelly Bensimon, the top divorce attorney Marilyn Chinitz, and 300 other fashionistas helped the skin-care mogul Peter Thomas Roth christen his new waterfront estate in Southampton. Peter's sons, Brendan Thomas Roth and Ryan Thomas Roth, hosted the event. With the sun still shining, Peter took the occasion to introduce his divine lightweight sunscreen called Water Drench Hyaluronic Cloud Moisturizer, arguably the best sunscreen on the planet. peterthomasroth.com
